CHI WING LO 2008

Mobile contenitore in multistrato, fibra di legno e particelle di legno impiallacciate di pau ferro con i bordi del piano, della base e delle ante in massiccio di pau ferro lucidato naturale. Il piano è in pau ferro, disponibile con o senza vassoio in cuoio. La struttura si compone di due ante laterali con l'apertura a cricchetto, di ripiani interni in vetro extra chiaro e di una cassetiera centrale, a sei cassetti. Ogni cassetto ha un sistema di apertura indipendente ottenuto grazie a distanziali in Arnite, inseriti lateralmente lungo un'asta di metallo, e alla guida centrale, dotata di cuscinetti regolabili in altezza. I cassetti inferiori sono forniti di un kit ferma-piatti regolabile, in metallo nichelato rivestito in cuoio. Il piano in pau ferro lucidato può essere intero o con vassoio in cuoio. Le maniglie sono in metallo nichelato e i piedi, in metallo nichelato, sono regolabili per il livellamento.

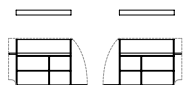

*Cabinet in plywood, wood fibre and wood particles in pau ferro veneer with the trims of the top, of the base, and of the doors in solid natural polished pau ferro. The top is in pau ferro, available with or without saddle leather tray. The structure is composed by two side doors with push spring device opening, internal shelves in extra clear glass and a central chest of six drawers. Each drawer has an independent opening system which is realized through Arnite spacers, inserted along the metal side rod, and a central guide with adjustable height ball bearings. The lower drawers have an adjustable dish stopper kit, in nickel plated metal covered in saddle leather. The top in polished pau ferro can be in one piece or with tray in saddle leather. The handles are in nickel plated metal. The adjustable stabilizing feet are in nickel plated metal.*
